# EAST ILLINOIS COLLEGE.

## NIGHT SCHOOL.

A Night School will be opened in the East Illinois College Building on *November 13th, 1883*, for the benefit of those who cannot attend the Day Sessions of the College. Persons can enter at any time.

BRANCHES TAUGHT.—Plain and Ornamental Penmanship and Drawing, Practical and Commercial Arithmetic, Short Hand and Type Writing. Ornamental Penmanship includes Pen Drawing, Flourished Capitals, German Text, Old English Lettering, &c.

OTHER STUDIES.—Classes of six may be organized in any other subject desired, and teachers will be provided for them.

*My young friends, out in the world  
the judges make no mistakes. If you are  
fully fitted for life's serious duties there  
there will be a place for you to fill among  
the good and great. It is mind that rules  
the world and if you aspire you must cul-  
tivate every faculty. Success is due to the  
correlation of circumstances; control them,  
by force of will, and her laurel crown is  
yours.*

Executed by Prof. Clinton H. Clark.
